Join Chirag P. Shah, MD, MPH, for one of the most important (non-medical!) things you will learn in medical school: how to navigate your personal finance. Dr. Shah co-authored a book on personal finance for physicians, “Financial Freedom Rx: The Physician’s Guide to Achieving Financial Independence,” and lectures to young physicians across the country. He is a vitreoretinal surgeon at Ophthalmic Consultants of Boston, and the Co-Director of the Vitreoretinal Surgery Fellowship.

This five-lecture series will be on Tuesdays starting September 28, 2021, and will run through November 2, 2021 (there is no class on October 19). Please bring all of your financial questions for discussion.
